CONVENTION AND EXHIBITION CENTER "PARKOVY"

The Parkovy Convention and Exhibition Center is a modern and unique complex specializing in providing renting space for events in various formats: exhibitions, conferences, congresses, round tables, forums, presentations, seminars, concerts and private events.

Situated at the very heart of the capital, the center meets all international requirements for events execution at the highest level. CEC "Parkovy" has unique facilities for organizing events: 2 exhibition halls, 26 conference rooms, co-working with a lounge zone, a congress and concert hall, a terrace with a beautiful view for events during summer, an open exhibition area with heliport and on-site restaurant CHI with summer terrace.

All rooms are equipped with professional multimedia equipment and moveable partitions, which allow you to transform the space to the dimensions that are necessary for the event. The state-of-the-art technical base in synergy with the functional content of the CEC "Parkovy" allows practically any event-project to be realized: from international forums, exhibitions and conferences to car presentations, symphony and rock concerts, boxing tournaments and fashion shows. All event areas of the complex are equipped with premium equipment: conference furniture from Georgeti and Poliform, Villeroy and Boch plumbing, Siemens climate control, wi-fi network is built on Cisco equipment.

Despite the fact that the CEC is located in the park zone, it has separate access roads and a good transport interchange — near stations are: Metro Arsenalnaya, Maidan Nezalezhnosti and Khreshchatyk.

Since opening CEC "Parkovy" has been selected by many market leaders — such as Hewlett Packard, Samsung, Syngenta, Basf to host their events. We became a proud home for such iconic for our country events as Ukrainian Fashion Week and Mercedes Fashion Days. Luxury car brands — Lexus, BMW, Range Rover, Porsche, Volvo, Maserati have decided to use our hospitality and exceptional services for presenting their new models. Many of you have attended open air concerts on a helicopter pad and enjoyed Steve Aoki and Ivan Dorn there. Parkovy has provided facility to UN delegates, a charity events organised by UNICEF and became the official location of the Eurovision 2017 competition.

Already now we can confidently say that the CEC "Parkovy" earned the place of the main center of business life not only in the capital, but also in Ukraine.
